A touchless solution will allow users to quickly and easily select coffee beverages using a QR code and a mobile phone.

Follow these simple steps for a touchless experience to order your preferred beverage:

- 1) **SCAN QR CODE**  
on front of machine using your phone's camera
- 2) **TOUCH LINK**  
that appears at the top of your phone's screen
- 3) **SELECT BEVERAGE**  
select your desired beverage from menu
- 4) **ENJOY BEVERAGE**  
allow beverage to dispense and enjoy!

*"Safety is one of Aqua Fresca's main concerns when it comes to our customers. We feel that the use of these beverage stations can provide a peace of mind during these stressful times."*
